NOTIFICATION

Jaipur, October 05, 2021

G.S.R.354 .-In exercise of the powers conferred by section 10 of the Rajasthan Electricity (Duty) Act, 1962 (Act No.12 of 1962), the State Government hereby makes the following rules further to amend the Rajasthan Electricity (Duty) Rules, 1970, namely:-

1. Short title and commencement.- (1) These rules may be called the Rajasthan Electricity (Duty) (Amendment) Rules, 2021,

(2) They shall come into force with effect from 31st October, 2021.

2. Amendment of rule 3B.- The existing sub-rule (1) of rule 3B of the Rajasthan Electricity (Duty) Rules, 1970, hereinafter referred to as the said rules, shall be substituted by the following, namely:-

"(1) Every person (other than a supplier) who intends to generate or continue generation of energy for his own use or consumption or supplies the same to others free of charge shall make an application for registration electronically through the official website of the department, in Form X completed in all respect to the Commissioner or to an officer authorized by him within thirty days from date of publication of the Rajasthan Electricity (Duty) (Amendment) Rules, 2021 in the Official Gazette or within 30 days from the date he starts generation of energy for his own use or consumption or for supplying the same to others free of charge, whichever is later. On receipt of the application, the Commissioner or the authorized officer shall having satisfied that the application is complete in all respect and is accompanied with the documents required under the said rules, issue the registration certificate in Form X-A within a period of three working days from the date of submission of the application:

Provided that,-

(i) where the application is found to be incomplete, the commissioner or the authorized officer may issue a notice electronically within a period of three working days. The applicant shall furnish such required information or document on the official E-mail ID of the authorized officer, within a period of seven working days from the date of receipt of such notice. Where the authorized officer is satisfied with the information or documents so furnished, he may grant registration.

(ii) if the authorized officer fails to take any action within the period of three working days from the date of submission of the application or on receipt of required information under clause (i) above, the application for grant of

registration shall be deemed to have been approved and registration certificate shall be auto generated."

3. Amendment of rule 6.- The existing second proviso to rule 6 of the said rules shall be substituted by the following, namely:-

"Provided further that every person who generates energy for his own use or consumption and every person, not being a supplier, who generates energy and supplies the same to any person free of charge shall furnish to the Commissioner or to any officer authorized by him a return in Form XII, electronically through the official website of the department, within 30 days from the date of expiry of the quarter to which the return pertains, unless otherwise notified by the Commissioner."

4. Substitution of Form X.- The existing Form X appended to the said rules shall be substituted by the following, namely:-
